

Thank you for registering your child for the Panerathon Kids Run, presented by PNC Bank!

Very important information

about the Kids Run is included in this flyer, so please read carefully.
Look for the blue balloon archway to enter the Kids Zone.

WHO:

Your child, age 4-10, who is registered for the PNC Kids Run

WHAT:

Attached to the top of this form is a colored wristband with your child's emergency contact information. On race day, please put this on your child's wrist. The bands are color-coded based on age in order to corral the Kids Run participants.

WHERE:

Look for the balloons in the Kids Area that correspond to the color of your child's wristband. For instance, if your attached wristband is blue, your child will line up by the blue balloons. These balloons will allow your child to run the $\frac{1}{4}$ mile with kids of a similar age. Please see the color/age breakdown below:

 - Ages 4 & under	 - Age 6	 - Age 8	 - Age 10
 - Age 5	 - Age 7	 - Age 9	

WHEN:

The Kids Run will begin around 11:30am, after the conclusion of the 2-mile and 10K events. Line-up for the run will begin around 11:15am.

It is very important that your child is wearing this wristband on race day because it includes emergency contact information and is a key factor in the organization of kids for the event.
